Social Media – Appropriate use of technology

The Orillia Channel Cats believe that athletes, coaches, officials, support staff and volunteers have the right to participate in a safe and inclusive sport environment that is free of abuse, harassment and discrimination.

Under no circumstances are cameras, cell phones or other recording devices allowed in change rooms, bathrooms, any dressing area, on deck, behind the starting blocks, during practice or competition starts. This aligns with policies that most aquatic centres have in place due to the protection and privacy of individuals.

The Orillia Channel Cats supports Swimming Canada's Personal Information Protection & Electronic Documents Act (PIPEDA). This requires that consent be obtained prior to the collection and use of personal information. This includes posting information onto social media sites. Swimmers are reminded to not share information or pictures of others on social media sites unless permission has been given.

Failure to follow the appropriate use of technology may result in disciplinary action.
