SWIM CLUB SPONSORSHIP

The Channel Cats is a competitive swim club in Orillia, Ontario that trains and competes as an affiliated member of Swim Ontario. We offer professional swimming instruction to athletes of all ages who have already achieved a basic swimming technique. The club consists of 6 different groups representing different levels of ability and training requirements of up to 13 hours per week.

This is a large commitment by our athletes and a high cost financially to their families. We are asking for financial support to assist these young athletes.

It is through the support of businesses that we can offer such great opportunities for our youth!

By contributing to the Channel Cats, you are helping to provide young people with the chance to develop their skills and talents in a sport they are passionate about while instilling values such as resiliency, dedication, and teamwork.
