

**2024 - 2025**

**SWIM CLUB SPONSORSHIP**

The CATS are a competitive swimming club in Orillia Ontario who train and compete as an affiliated member for Swim Ontario. We offer professional swim instruction to males and females of all ages who have already achieved a basic swimming technique. The CATS consists of 6 different groups which represent different levels of ability and training requirements of up to 13 hours per week. As you would expect, this is a large commitment by our athletes and a high cost financially to their families. We are asking for financial support to assist these young athletes.

**It is through the support of businesses and individuals like you that we can offer such great opportunities for our youth!**

By contributing to the Channel Cats, you are helping to provide young people with the chance to develop their skills and talents in a sport they are passionate about while instilling values such as resiliency, teamwork and dedication.
